

Sonesse 28 WF RTS, Sonesse 28 WF ZIGBEE with power supply

Sonesse 28 WF RTS, Sonesse 28 WF ZIGBEE are part of the ACT FOR GREEN process, they received the eco-design expertise to reduce their environmental impact.

ELECTRICAL CONSUMPTION

Eco-design of this product has allowed to move to a standby consumption below 0.5W. This action reduces the total assessment impacts by limiting the primary source of environmental impact.

DURABILITY

The lifetime of the product is a fundamental of Somfy quality. This product has been designed to facilitate dismantability and reparability in factory.

RAW MATERIALS

This product has been tested by some external laboratory and is compliant with REACH and RoHS regulations.

PACKAGING

This packaging guarantees the use of 50% recycled fibers cardboard and 100% recycled fibers instruction guide. Wedge in the packaging cannot be made from fossil material.
